GOLF COMMITTEE
Frye Island Golf Course

Minutes of Meeting of August 9, 2009

A. MEMBERS PRESENT: Laura Davis, Mike Hurley, John Kett, Paul Lyons, Bruce Nisula, Mark Thomas, and Vic Solomini

B. OTHERS PRESENT: None

C. LOCATION: Golf Club Lounge

D. CALL TO ORDER: Director Thomas called the Meeting to order at 10:55 AM.

E. PRIOR MINUTES: The draft of the prior meeting had been previously approved by unanimous vote over the internet.

F. EXECUTIVE SESSION: None

G. BUSINESS

1) The Kitchen Addition project is making progress. The joists, rafters, and walls are framed, and part of the roof deck is installed. Paul will be exploring the cabinet issue while Vic looks for some favorably priced appliances and handicap bathroom fixtures. Plumbing, electrical, and HVAC workers are lined up.

2) Director Thomas reported that revenue is down about $13,000 year over year due to the rain and general economic conditions. As a result the total cash flow for the year is expected to be reduced by a similar amount.

3) Course issues were discussed as follows: It would be desirable to move the monument on Hole 3 closer to the cart path where the advertising will be visible to all who play. The bell on Hole 9 is getting so dim that those on the tee can hardly hear it. If "Course Marshal" signs for golf carts are reasonably priced, we should buy 8 or 9 to pass out to the Golf Committee and other officials. A final decision about moving ahead with the drainage on Hole 2 will be made at the next meeting.

4) A considerable number of golfers are using the course between 7 and 8 AM, a time when the Pro-Shop is closed. Some of them may not be paying the appropriate fees. It was decided that it would be worthwhile to open the Pro-Shop at 7 AM in July and August to assure collection of that revenue.

5) Tee monument paint has been purchased. Laura will look into facilitating progress.

6) An item for the Winter Meeting will be whether or not to impose a penalty on those caught using the course or a cart without paying the appropriate fee. Also, it may be worthwhile to charge less than we do now for use of a private cart on the course.
7) The Operations Handbook is in need of some rearranging, editing, and definitions—a project scheduled for this summer. Mark will focus effort on getting this project done.

8) Earlier in the month a reminder was spread by the Committee that animals are not allowed in the Lounge or Pro-Shop.

9) Screening for a portion of the porch was put on hold pending evaluation of budget progress.

10) The updated tournament schedule is as follows:

11) While not everyone attending the Ice Cream social was pleased with the recently instituted price increase, the event was well attended and produced more revenue. It was emphasized that it is an “all you can eat” event.

12) The Tee Markers are fully subscribed at this point.

13) Mark will seek a volunteer to make a new sign for Fairway and Independence.

14) The election history for the current Committee is as follows: At the 2006 Annual Meeting, Hurley, Lyons and Nisula were elected to serve on the Committee for three year terms. At the 2007 Annual Meeting, Mark Thomas, Ron Vaillancourt, and John Kett were elected to serve on the Committee for three year terms. At the 2008 Annual Meeting, Davis, Canty and Solomini were elected to serve on the Committee for three year terms.

15) Periodical emphasis of golf etiquette is worthwhile to speed up play and to allow all players fair and convenient use or the golfing facility. Slower players should work on improving their speed of play, and all players should invite faster players to play through. Laura will draft a document on golf etiquette expectations at our course.
