Laura Davis opened the meeting with a discussion of long term plans for increasing revenues and making continued improvements to the course. To that end we are looking at raising most rates by 5%, more tournaments by islanders and off islanders and continued dinners. We plan to host 4 dinners (two at the club house and two at the Recreation Center). New member Todd Keigwin sent in several good suggestions for revenue and profit generation. Laura has had discussions with St Joseph's College on a couple of ideas to work out with them. We are about to embark on a major project to renovate the Bar and Pro Shop. The project is being spear-headed by Ken Henchett and includes redoing the bar, fixing the deck in front, adding lattice work, new bar counter, lights & mirrors behind the bar, new icemaker, beer cooler, dishwasher, moving the fire pit and new outside furniture. The committee is creatively seeking alternative ways to fund this project.
