Manager's Comments

MSAD#6

The portion of last night's Board meeting regarding the May 7th Workshop was positive. A motion was made to form an Ad Hoc committee to move forward on potential resolutions regarding school funding and services. The committee will be made up of one board member from each town, one municipal officer, and a citizen. State representatives will be invited and encouraged to participate. The proposed date of this meeting is June 27th, agenda to be determined. This is a very positive step in the right direction. I have been advised by legislators that we should try to make this work without attorneys. This will reflect cost savings on both sides. I also want to thank Jim Moses for the tireless amount of hours he puts in to serve as our school board representative.

Safety

In a few short weeks the Island will be in high season. UTV's are moving too fast on our roadways. Last week I watched two golf carts riding side by side on Ridge Road. For the safety of all Islanders, please drive slower and be cautious.

Property Taxes

Your second payment on your property taxes are due by June 30, 2016. Your second payment remittance stub is attached to your bills that were mailed in November of 2015. This is just a reminder for you that taxes are due shortly. There is only one bill mailed per year.

Zip Code for Frye Island

For the last two years I have been requesting a Zip code for Frye Island. Once again I was advised that the Postal service will not be providing our town with its own code. One suggestion they made was to write Frye Island again on the outside of the envelope.

Example Town of Frye Island
 One Sunset Road
 Frye Island, Maine 04071
 FRYE ISLAND, MAINE

Fireworks Contributions

I am reaching out to Islanders to please make a contribution to help offset the cost of the Fireworks display on July 2nd 2016. Rain date is July 3rd. Thanks to those that have already contributed. Your donations as Islanders are always appreciated.

Animal Control

The Administration has received complaints of loose dogs and loud barking early in the morning. I am listing the dog ordinance for all to review. Please be considerate of your fellow islanders.

Chapter 117- Dog Control. This can be found on the Town's web site under ordinances.

Transfer Station

Saturday 06/10/2016: 10AM-6PM
Sunday 06/11/2016: 10AM-6 PM
Wednesday 06/15/16 10AM- 2PM (just household trash and recyclables)

Milfoil

Larry Pilote (weather permitting) is doing a survey on Thursday June 9th to see how the Island is doing in regards to variable milfoil. He will provide me with a report of what needs to be done. If he discovers areas where milfoil is growing he will need volunteers again.

Larry's comment: **Volunteers in helping with eradication of milfoil are greatly needed. Most of the work would be done on Tuesdays and Thursdays. Time frame 9:30am - 2:00pm.**

Assisting diver in bagging. Walking shoreline and picking up loose fragments. If you have kayak available, gathering floating fragments is needed. Creating a "milfoil team" will ensure to control this invasive nightmare.

Tel# 603 398 0833 email: divecon@juno.com

Town office hours

The office will be open Tuesday thru Saturday from 9 am to 3 pm. Please take advantage of the available on-line services to help keep the line short in the office during high season.

If you have a brand new registration for a boat, car, golf cart or trailer, please try to come during the week when the office is not as busy. Call ahead to be sure you have all the proper documents and discuss with the office staff the possibility of an appointment time to complete the new registrations. A new registration can take more than an hour and you may be asked to leave copies of your documents for the registration to be completed and picked up later in the day or another day.

Ferry Ride Requirements

To pay the toll on the ferry you need an E-Z Ride card, a paper ticket, an emailed ticket, or a picture of the E-Z ride card. The ferry employees are not responsible to type in numbers or take verbal requests to use another party's card for passage in any situation. Please provide family, guests, and any vendors you have with one of the above tools for ferry passage.

Property tax procedure

The Town of Frye Island mails out your annual property tax bills the first week of November. At the bottom of each bill there are two remittance coupons. The first payment is due by December 31st of the year mailed. The second remittance is due by June 30th of the following year. If you have an unpaid balance after June 30th a certified letter is mailed to your address on file as a 30 day notice. After the lapse of an additional 30 days the liens are attached to the property in arrears. After 17 months the property owner will receive another notification warning of foreclosure. 30 days later the subject property will be foreclosed.

NIXLE

Our NIXLE system is up and running. This system will notify all subscribers of important / emergency notices in their selected areas via text, web, and email. The best part of this is that it is a free service to both the municipality and to residents as well. We can initiate notices to all Islanders that subscribe to the service. However, in order to access the notices you will be required to subscribe. You can subscribe by going to their website at www.nixle.com and following the prompts. I would encourage everyone to subscribe to this service. It is an ideal way to be notified of issues that may affect your time on the Island.

Code Enforcement Officer

Office Hours Tuesday and Thursday

8:00 AM – 3:00 PM

Small Package delivery (up to 70 lbs.)

All packages delivered by any courier service (UPS, FEDEX, etc.) will be delivered to the Post Office by 7 am the following day. You are responsible to Track your own deliveries. If you have a package that is perishable, medicine, or overnight delivery you have the right to free pedestrian passage to collect your package at the Ferry trailer once you track and it states delivered.

Large Package protocol (over 70 lbs.)

Bob Sutherland has volunteered for the past seven seasons to bring all the UPS and FedEx packages across to the Post Office in his own vehicle. I want to thank Bob for his effort. E-commerce has changed the way we shop. FedEx and UPS now handle larger packages. Packages over 70 lbs. are labeled “heavy”, “dangerous “or request “team space lift”. Bob works alone.

Our volunteer has handled all packages including the occasional heavy packages in the past. The increase number of large packages’ makes it necessary to modify our procedure’s effective June 1, 2016.

Recipients must track large packages and confirm delivery to the Ferry trailer in Raymond. When package arrival is confirmed, the recipient must contact the ferry trailer to schedule free round trip ferry vehicle transit to pick up the package.

The recipient is now responsible for the handling of heavy items from the Ferry trailer to their cottage.

Contact Information

The Administration is trying to update the Island email addresses. Please either stop in or email your current email address, name, and telephone numbers to Marie Tedford, Town Clerk at

fitownclerk@fairpoint.net

This will allow us to reach you with any pertinent information year round.

Gary Donohue, Town Manager

State of Maine Election June 14, 2016

10AM-8PM Community Center

MSAD6 Budget Validation Referendum to determine if the District budget for the 2016-2017 fiscal year adopted at the District budget meeting on May 26, 2016 should be approved.

State of Maine Election

Rep. to Congress – District 1

State Senator – District 26

Absentee Ballots are available in the office. Sample Ballots are posted in the glass bulletin board outside the office and the hallway leading to the office.

Tree Removal An island resident mentioned “if you have trees cut, beware of wood thieves.” They said “several folks have had cut and stacked wood taken off their property when not on the island. Please, if you want wood, wait for the “FREE” sign before helping yourself to other folks’ wood supply.”

Quail Circle Cleanup June 11, 2016 at 8:30 AM

The Cleanup of the Quail Circle Boat tie-up facility will be on Saturday June 11th beginning at 8:30 AM. Work consists of a general cleaning up of the area in and around the boat slips and parking areas. Any and all help is welcome. Bring a weed whacker, a pair of gloves and a strong back. Many hands make light work and it generally takes about 2-3 hours to complete. See you there!

Beach 7 Cleanup June 12, 8:30AM We are going to have a Beach 7 cleanup Sunday at 8:30 am. Anyone who wants more info can email andrewedavis@gmail.com

Requirements for New Registrations of Cars, Golf Carts, UTVs, Trailers & Boats

If you have a new Registration, please call ahead to arrange a good time to come in. In order to expedite the process, the following is required:

- Bill of Sale, including VIN #, and Sales Tax, Paid/Unpaid, Purchase Date, Year of Vehicle/Boat, Seller Information (Name and Address)
- Insurance Card (including VIN # and Expiration Date)
- Driver’s License (need to see names as shown on license) and Birthdates
- Mailing Address and Frye Island Address
- Contact Phone # (prefer cell)
- Who the Vehicle/Boat was Purchased From (Name and Address)
- Trailer # of Tires, # of Axles, Color, Type of Trailer (boat, utility, camper)
- Golf Cart Make, Color, Gas/Electric, proof of insurance with VIN and expiration date on policy card
- Vehicle Make, Color, Mileage, Title Application if already completed, Previous Title if changing States, window sticker if new vehicle, Lease Agreement if Leased, Proof of Insurance
- Boats Color, HP, Open/Close Bow, Salt/Fresh Water, Fiberglass/Metal, Length, Previous Registration Number if in Maine, Fuel Type, Inboard, Outboard, or In/Out

E911 Addresses/Mailing Addresses

Please take note of your E911 address in case of emergency and provide this number when you call. There should be a blue sign on the front of your property. The Frye Island Police distributed magnets last year for your refrigerator with your E911 address. If there is a discrepancy please notify the office.

There is a list on the website of the E911 addresses. Go to the “Find Information” tab (top right), click “topic index”, under the letter “E”, click on “Emergency Contact information”.

For mailing address purposes, the post office still uses your original lot number. The United States Postal Service has not provided a new zip code to Frye Island so the mailing address will continue to be your original Lot number and street name.

FairPoint is using the E911 addresses to locate the properties. When you call to set up your service you will need to provide your E911 address. However, please give them your mailing address separately. If you receive your mail on Frye Island it is your Lot number and street name.

Central Maine Power is set up based on the original Lot numbers if you already have a house on your property. They are requesting you to call them at 800 750-4000 ext.5 to give them your E911 address to locate your property and add this to your account. Your mailing address should still be the Lot number or the off island mailing address. To set up new service they will locate your property using the Lot number on your deed. Once an E911 address is assigned to your new house they would like to put this on your account.

Board of Selectman/Executive Committee

Board of Selectman/Executive Workshop June 11, 9:00am-3:00pm

Board of Selectman/Executive Meeting June 25, 9:00am

If you would like to contact the Board of Selectman/Executive Committee, emails can be sent to the full Executive Committee at frye-island-excombos@googlegroups.com.

How to find Information related to Board of Selectmen/Executive Committee Meetings

All information regarding Board of Selectman/Executive Committee Meetings can be found on the website fryeisland.com. See the Public Meeting Calendar on the right hand side. Click on the time of the meeting you are interested in, click more details, and then click the Agenda attached.

If you are interested in more information on the Board of Selectman/Executive Committee Meetings, click on the "Public Documents Folder" at the top right, above the calendar. You can find various information, such as Minutes, Meeting Recordings, and Agendas.

Island Residents Input Needed!

We have discussed over the winter at the Executive Committee meetings the need to better understand how many students we have on the island throughout the season. This information would be very helpful in our MSAD6 tax relief efforts. Your help in the matter is important and greatly appreciated.

Please go to Fryeisland.com. There is a link on the top line of the Home Page of the website "Parent/Grandparents" for you to complete the following information in a survey:

1. Name, Lot #
2. Winter City and Town
3. Number and grades (upcoming) of school age children
4. Any services you may need or would find valuable such as special education services, tutoring, SAT Prep., etc. Even if you don't need or want services, if you would please give the information in 1-3, that would be great.

Department of Public Works

Waterline work has proceeded to Nutting Circle, this circle may be closed during this work. Stumpy is training area cats for his own blend of Kopi Luwak coffee. For some reason, the other Trench Monkeys are having trouble getting on board with his latest endeavor. Good Luck with that Stumpy!

Transfer Station, Thanks to Frank and Becky Limauro for their volunteer Transfer Station work opening on Wednesdays on a trial basis.

There are still some tickets left for the Cappy Celebration of Life, Sunset Cruise on June 18th, tickets are only available at the Golf Clubhouse. Parking for this event will be tight, please try to come by golf cart and park in the Recreation Area behind the store. Remember we sail shortly after 6:45 pm. Don't be late!

DPW quote of the week,

"I wonder if clouds look down on us and say, "Hey look that one is shaped like an idiot".

EMS Blood Pressure Clinics-

Come get your blood pressure checked by the EMS crews! We will be outside of the Cafe/Town Office from 10 AM to 11AM on Mondays, Wednesdays and Fridays! Stop by to say hi and meet the crews!

Fire Department

WELCOME BACK FROM FIFD!

donated your returnable bottles and cans in the past! Last year we redeemed them for almost \$1,600! We have used these

Thanks to all of you who have

funds for many things over the years, including the 4th of July hot dog lunch and a water tank for FIFD. Remember that you need to bag these (tying the top of the bag is a big help!) and carry them to the FIFD shed way over to the right when you enter the transfer station. Please only include items on which you paid a bottle deposit of 5 or 15 cents. Starting next week, our volunteers at the transfer station on Wednesdays will also accept bottles and cans for the FIFD. Thanks again, and welcome back!

Fire Department Meeting\Training

Did you want to be a firefighter when you were growing up? Have the uniform, drive the truck, use the siren??? Or maybe now you'd just like to help out the great little island community where you spend time in the summer. Either way, we'd love to have you join us. Anyone age 18 and over is welcome to join. We'll provide the training you need to be successful. If interested, please contact FIFD Chief Bob Boyd at fifdc1@gmail.com. Thanks for considering this volunteer opportunity!

Returning Safety Tips

In the event of an Emergency Dial 911.

Make sure to make yourself Family and Guests aware of the E-911 numbering system for your Property or Location. Test your Smoke Detectors, start the season off with fresh batteries. Review and practice your emergency escape plan. Check your Fire Extinguishers, service or replace as needed.

FIFD could use your help, and not just as a firefighter! We would like to update our map books and get information computerized. This will involve some data entry, and driving around the island to verify lot information. Great project for a high school or college student! Maybe an Eagle Scout project! If interested, please email Bob Boyd, FI Fire Chief, at fifdc1@gmail.com for more information.

The Fitness Center

Many of you have been asking how The Fitness Center is coming along and when it will be open. Well, we are happy to say that the room looks great thanks to many Islanders who have played a part in the renovations! Currently we have two treadmills, one cross trainer, and two bikes for cardio equipment and a variety of weights and benches for weight training. If there are any Islanders have a cross trainer that they are not using it would be a great asset to The Fitness Center. Once all of our mechanical equipment has been installed then we will be able to move forward to opening. We are also looking for staff to welcome members and do light cleaning during operating hours. You must be at least 16 years old, have a current CPR certification, and have a cell phone that you can bring with you. Please contact any of the board members of The Fitness Center with donations, Alicia Vesprini (aliciavesprini@comcast.net), Dave Lowe (bowdoin70@gmail.com), and Ed Charrette (ed.charrette@gmail.com) with donation information.

Frye's Leap General Store and Café 655-4256

The headline news for the week is that our custom made IPA, Frye'PA, went on tap on Sunday afternoon! I acknowledge some pride of ownership but it really is a great tasting IPA. We brewed this beer with Shipyard brewing in mid May at their Federal Jack's location in Kennebunkport. It certainly is worth a try when you come down to the café!

In the store we are continuing to receive additional merchandise, filling in holes in our selection of grocery items, and adding additional selections to our clothing and novelties. When you come down to the store you will see that we have rearranged some things, in an effort to group them with other like items. All of the food/grocery items are in the first aisle on your right and then snacks and candies are on the aisle furthest to your left near the coffee. And then in the center we have novelty items and the balance of our candy selection.

We are always challenging ourselves to see if there are other items that we can carry that would prove useful to folks on the island. An item that we will be experimenting with in the coming weeks based on a meeting that we had with one of our suppliers, Sysco, is individually wrapped steaks. These are akin to Omaha steaks, wrapped and sealed individually. We are also looking into how we could sell hamburger at the store, providing some options for a last minute cook out other than hot dogs and kielbasa. Be sure to share your thoughts on this when you see us at the store. We welcome the input!

While our farm stand area is not fully functional, we do have some plants if you did not satisfy all of your planting needs at the Garden Club plant sale last week. We have a number of annuals for sale and are planning to increase our stock to include vegetables and herbs in the coming weeks. And once we are into late June, we will open the farm stand with fresh vegetables and other food products for sale.

As mentioned in the past weeks, we are opening the season with a limited menu, with several items added each week until we get to the full menu later in June. We have a limited selection of salads and seafood until that time due to their perishable nature. We apologize to those who are anxiously awaiting a serving of fried clams or a lobster roll! But June 17 is getting ever closer! And as we reach the weekend of June 17, that is the time frame where we will begin to offer our events at the café – Margarita Monday, Trivia Tuesday, Karaoke Wednesday, and Thirsty Thursday. Things to look forward to! On Sunday this weekend we will be serving our breakfast buffet. Hopefully we will have better weather than last several Sundays!

Wrapping things up, our schedule for the store in the coming week will be as follows.

Friday	8:30am	8:30pm
Saturday	8:00am	8:30pm
Sunday	8:00am	6:00pm
Monday thru Thursday	8:30am	5:00pm

For the café, our hours will be:

Friday	4:00pm	8:30pm
Saturday	11:30am	8:30pm
Sunday	8:30am	6:00pm
Monday through Thursday (pre-made sandwiches in the store)		closed

We look forward to seeing you down at the store and cafe!

8th Tee Construction:

Construction has begun for the new tee boxes for the 8th hole. Due to the generosity of one of our members along with funds supplemented by the golf club, we are undertaking to revise the 8th tee with a significantly expanded tee area which will incorporate all 4 color tee markers in a single continuous tee box. This new tee box will eliminate the uneven tee areas we previously had while allowing us to more efficiently maintain all of the tees in a uniform manner. We have designed the new tee to allow for similar yardages to what we previously had while adding in new tee areas permitting us to rotate the tees which allows for frequently used areas to recover faster. While we understand the construction of the new tee does temporarily take away from the beauty of this hole, the long term positive impact of the new tee will benefit us all. While the new tee is under construction and in the subsequent growth stage, we apologize for the inconvenience of utilizing the temporary teeing areas. We will have the new tee in place as soon as it is healthy enough to sustain play. If you have any questions on the new tee please reach out to one of the golf committee members who will be happy to answer any questions you may have.
