**The Island is extremely dry at this time. Please refrain from any type of outside fires until further notice. Also absolutely no brush burning.**

## **ELECTIONS:**

### **Selectmen positions**

There is one Selectman seat up for election to a three year term. There is one Selectman seat up for election to a one year term. You must be a registered voter of the Town of Frye Island to run for this position.

### **Board of Island Trustees Executive Committee**

There is one seat on this committee up for election for a three year term.

There is one seat on this committee up for election for a two year term.

Qualifications for Executive Committee

1. US citizen
2. 18 years of age
3. An owner or a spouse of an owner of real property located within the Town of Frye Island with a fixed home currently occupied by the person, maximum two people per fixed home.

If you are interested, please come to the Town Office to complete a Volunteer to serve on a Frye Island Committee Form.

## **Manager's Comments**

The following 3 candidates have submitted bios to run for Selectmen. Additionally, we currently have 2 bio submissions for Board of Island Trustees Executive Committee, two year term, and a three year term.

### **Selectman Candidates**

#### **Jim Kuiken**

I have been a home owner of Frye Island for over forty years. I have been married for 49 years to my wife Joyce, and have a daughter, Gina, and grandchildren, Josh and Dalaina.

I lived in Alfred, ME where I owned and operated an electrical contracting company before retiring to North Carolina. I have been a Selectman for twelve years, served as President of Frye Island, Inc. and Treasurer on the Frye Island Municipal Services Corporation.

It will be an honor to serve if elected and I will strive to keep taxes at a minimum while providing services that are necessary to keep Frye Island a very beautiful place to live.

#### **David Wagner**

I am a married father of four girls and grandfather of 4 grandchildren. While native to Long Island, New York, I currently reside in Arizona during the off season. Most of my professional career has been spent working in Information Technology although my wife and I are best known for operating Frye's Leap General Store and Café over the last five years.

I have served as an appointed Selectman for the past year and have learned much about the process of operating the Town of Frye Island and the challenges that we face. I would like to be considered for election to the position of Selectman this year. The skills that I bring are listening, open mindedness and a bias for action. My agenda is “do the right thing”, making decisions that best satisfy the long term needs of the town and represent the beliefs of our fellow islanders.

### **Board of Island Trustees Executive Committee – 2 year term**

#### **James O’Connor**

My family and I have been on the Island since 1989 at 1054 Middle Beach Road. Beginning in 1990, I served on the Frye Island Board and then on the combined Frye Island/MSC Boards until 1998. I later had a three-year stint on the Board of Island Trustees Executive Committee beginning in 2002. I have decided to run in the hopes that I can use my earlier experience on the Island in a positive way.

I fully support sound finances, strong reserves and our attempts to lower property taxes by some positive accommodation with SAD 6 in the future. I believe in fully transparent operations on the Island, especially in access to financial information. I strongly support the efforts of the Communication Committee in making information on the Island far more accessible. I would support increased efforts in this direction.

I believe that our present Town Meeting schedule on Columbus Day, coupled with the fact that the Island Charter does not allow absentee voting, prevents too many Islanders from participation in this most critical annual event. If I were on the ExCom Board, I would support either a change in meeting date to one better scheduled for the majority of Islanders or making a Charter change to allow for absentee voting (or both). I believe that we lose the good counsel and wide experience of too many Islanders with our present arrangement. I believe that the structure of our Charter, the Board of Island Trustees and its four-member Executive Committee, are critical for the participation of all Islanders. Our Town Government must continue to recognize that all Islanders, regardless of State of residence or voting status, should have an equal voice in our Government.

The issues of the next year or two are certain to require our best combined efforts. There will evidently be a transition to a new Island Manager, a new Director of Public Works/Ferry Operations and also continuing negotiations with SAD 6. If you choose to vote for me, I pledge to work on these issues and on the others that invariably arise in the best interests of all Islanders.

### **Board of Island Trustees Executive Committee – 3 year term**

#### **John R. Boyd**

Rosemarie and I bought our home on Frye Island (Lot 1847) in 2001 with our son Peter and daughter-in-law Kelly. For the last few years, we have been able to spend most of our season here and work as needed, remotely, as our son Peter assumed greater responsibility in our Financial Planning and Investment Advisory firm located in Massachusetts. This will be the first time I am seeking a leadership role as Selectman.

My background is in Engineering (BSEE’69 and MS Biomed from WPI). I started and managed Biomedical Engineering department in a major hospital, and later worked as a Product Manager for the Hewlett Packard Medical Division. I was in the Air National Guard. I am currently employed as Investment Advisor, Treasurer and Compliance Officer in our family firm. Above all, in my careers, I have been a problem solver.

I have great respect to the many individuals who have made Frye Island the gem it is. I am impressed every day with the talent and commitment of the island’s homeowners. We are currently experiencing growing pains that are, in part, a result of our own success. My focus will be on making sure all island constituencies are properly represented, that we follow orderly processes, and to provide clarity as we are asked to make informed decisions going forward as a town.

### **MSAD#6**

MSAD#6 has retained a facilitator under Title 20A Section 1301 and that the District will be calling a meeting of municipal representatives to discuss the District’s cost sharing formula. As part of this process, the municipal officers of each town in the District are required to select two representatives at large who, along with one member of the district’s board of directors chosen by the board members of that municipality, will represent that municipality on the Section 1301 cost sharing review committee. Frye Island delegation will include Jim Moses (MSAD#6 Board member) Betsy Gleysteen (First Selectwomen), and Gary Donohue (Town Manger). Even though this process has begun, Frye Island is still researching other options for the future of the community. The following meeting dates will take place at 6pm at the Central Office: Monday, Sept. 26, Tuesday, Oct. 18 and Monday, Oct. 24. I will keep you all informed as information becomes available.

### **LEA**

The LEA is a nonprofit organization that works off donations. They have done a wonderful job for the Lakes Region and also are friends of Frye Island. Please make a donation to keep this organization healthy.

<http://www.mainelakes.org/donate/>

## **Milfoil**

LEA divers Christian Oren & Tom along with Frye Island diver Larry Pilotte finished the season hand pulling milfoil in the Long Beach and Quail Marina. The middle of the marina channel was the area worked. We have our marina 90% cleared this season and well under control. A special thanks to Roxie Olmsted and Mike Kaplan assisting the divers in the cleanup. A biologist named (Journey) from St Joseph College of Maine was collecting samples for her studies. To all the Frye island volunteers hope to see the help continue next year! Thank you. Larry Pilotte.

## **Driving Range (Golf Course)**

This project is off and running. A driving range at the Golf course is a great idea. This project is being created strictly through donations. If you would like to donate to this project you may do so at the Town office.

## **Board of Appeal Volunteers**

Any members whose terms have expired need to let the Administration know they are willing to continue. On Saturday August 6<sup>th</sup> the Planning Board held a meeting and I am pleased to announce we presently have a full board and alternates. I want to thank all the folks that participated in the meeting and signed up to volunteer to continue to service.

## **Town Office Hours**

The office will be open Tuesday thru Saturday from 9 am to 3 pm. Please take advantage of the available on-line services to help keep the line short in the office during high season. If you have a brand new registration for a boat, car, golf cart or trailer, please try to come during the week when the office is not as busy. Call ahead to be sure you have all the proper documents and discuss with the office staff the possibility of an appointment time to complete the new registrations. A new registration can take more than an hour and you may be asked to leave copies of your documents for the registration to be completed and picked up later in the day or another day.

## **Transfer Station Hours**

Saturdays and Sundays 10am-6pm                      Holiday Mondays 10am-6pm

**Please take note the Transfer Station is no longer open on Wednesdays.**

## **Code Enforcement Officer**

John Thompson                      Tuesdays and Thursdays                      8:00am – 3:00pm                      [codeenforcement@fryeislandtown.org](mailto:codeenforcement@fryeislandtown.org)

## **Refrigerator Magnets E911 Address**

If you don't have a refrigerator magnet with your E911 address and street address on it, please come to the office to get one. It is very important that everyone in your house knows your E911 number and street name. When calling in for an Emergency, you **MUST** give both. It is also helpful if you can refer to the closest landmark such as Beach # or crossroad. An example would be E911 address 10 Harbor Road (need to give street name) Lot address is 1554.

## **Frye Island Directory**

The 2016 Directory is now available at the Town Office for \$5. If there are any changes to your information, please contact the office ASAP.

## **Ferry Ride Requirements**

To pay the toll on the ferry, you need an E-Z Ride card, a paper ticket, or an emailed ticket. The ferry employees are not allowed to take verbal requests to use another party's card for passage in any situation. Please provide family, guests, and any vendors you have with one of the above tools for ferry passage. Please do not send a picture of your EZ Card to anyone who is not an authorized user on your account.

## **Contact Information**

The Administration is trying to update the Island email addresses. Please either stop in or email your current email address, name, and telephone numbers to Marie Tedford, Town Clerk at [townclerk@fryeislandtown.org](mailto:townclerk@fryeislandtown.org). This will allow us to reach you with any pertinent information year round. **Please take note of the new email addresses for Town employees, they all end in fryeislandtown.org.**

**Gary Donohue, Town Manager**

## Marina Lake Level

Due to lower than usual lake level, it is VERY LIKELY that it will be necessary to have all boats removed from the Long Beach Marina earlier than usual this year. Water levels are currently at what we would normally see in mid-October. Please plan to have your boat removed by Sunday, October 2, 2016 to facilitate the docks being removed starting Monday, October 3, 2016. This will only be a week earlier than usual. Thank you. Dave Bond, Marina Committee.

## Frye Island Community Beaches

If you own a kayak/canoe/paddleboard/rowboat that currently is on a rack or beach on FI, please remove them ASAP and NO LATER THAN Columbus Day Weekend. The Beach Committee, DPW and the Town Administration have worked hard all summer to redesign and plan the designated areas for these allowable boats and we need to have cleared racks and the beach space to clearly mark and create the designated areas. If you do not remove your kayaks, canoes, paddleboards, rowboats from the racks and/or beach and they impede the process in any way, your chains will be cut and the boats will be placed in storage until next season when you will need to prove ownership in order to obtain it back. We are sorry for any inconveniences. If you own a boat that is NOT ALLOWABLE (such as sailboats, sunny boats, etc.) as per the ordinance, please remove them ASAP or they are subject to removal by DPW. Thank you for your assistance in helping to keep our beaches the wonderful asset that they are to all of the residents of FI!

## Frye Island Public Safety Committee Wants Input

As you may know, the Frye Island Public Safety Committee (PSC) has been formed to make fact-based recommendations on how to approach EMS, Fire, Police and related services going forward. The PSC has been trying actively to learn in detail how services are delivered now, what, if any, issues exist, and the types and levels of services that might best fit the Island's needs and budgets. The meetings are public, times are posted on the website, and everyone is invited to attend or call in. We know that many Islanders may not be available when the meetings occur, or don't want to spend their free time in meetings, but the committee wants input from as many islanders as possible. Please email the committee at [members-public-safety@fryeislandtown.org](mailto:members-public-safety@fryeislandtown.org), to give us your thoughts on what we should understand or consider about the islands public safety needs and services. Please include your name and lot number. Also, several short web-based surveys have been emailed to islanders to complete. You can access the Town website at <http://fryeisland.com>. Thanks, Frye Island Public Safety Committee

## Small Package Delivery (up to 70 lbs.)

All packages delivered by any courier service (UPS, FEDEX) will be delivered to the Post Office by 7 am the following day. You are responsible to Track your own deliveries. If you have a package that is perishable, medicine, or overnight delivery you have the right to free pedestrian passage to collect your package at the Ferry trailer once you track and it states delivered.

## Large Package Protocol (over 70 lbs.)

Bob Sutherland has volunteered for the past seven seasons to bring all the UPS and FedEx packages across to the Post Office in his own vehicle. I want to thank Bob for his effort. E-commerce has changed the way we shop. FedEx and UPS now handle larger packages. Packages over 70 lbs. are labeled "heavy", "dangerous" or request "team space lift". Bob works alone.

Our volunteer has handled all packages including the occasional heavy packages in the past. The increase number of large packages' makes it necessary to modify our procedure's effective June 1, 2016.

Recipients must track their (FEDEX, UPS) large packages and confirm delivery to the Ferry trailer in Raymond. When package arrival is confirmed, the recipient must contact the ferry trailer to schedule free round trip ferry vehicle transit to pick up the packages, delivered from **FEDEX & UPS only**. The recipient is now responsible for the handling of heavy items from the Ferry trailer to their cottage.

one day drop in for spin \$5 with any of the above memberships

Please remember The Fitness Center is a **non-profit mutual benefit** operation. All of the fees will be used to cover expenses and make improvements. **Please feel free to volunteer to help staff The Fitness Center, this will help keep costs down and you can workout at the same time!!**

# Frye's Leap General Store and Café

655-4256

Another quiet week on the island but boy was the weather sure nice! Hopefully that will continue into the coming weekend and week. And like the gentleman from Motel 6, we'll keep the lights on for you down at the store and the cafe and hope you drop by to say hello! :)

As we move into the fall season, we have placed all of our clothing items on sale. All clothing items in the store (items from this year) are discounted by 20%. Items from previous years which we have placed out on the sale table are 40% off the original price. The sale table is constantly being replenished with "new" items so be sure to check out what's on display when you are down at the store. We have a number of sweatshirts and jackets still in inventory that are the perfect garment for the coming fall nights!

Business hours are now reduced in both the store and café with the end of the high season. This weekend the store will be open until 8:30pm on Friday and Saturday nights and until 5:30pm on Sunday. During the week the store is open until 2:00pm Monday thru Thursday. The café opens at 3:00pm on Friday and remains open until 8:30pm that evening. On Saturday we will open at 11:30am and remain open until 8:30pm and on Sunday we will open at 11:30am and remain open until 5:00pm. Admittedly times are subject to change in the event of poor weather. All schedule changes are posted on our Frye's Leap General Store and Café Facebook page. Also reduced is our menu. We have started to run out of certain things, most notably some of our seafood items such as clams and crab cakes, which will not be re-ordered. But there still are lots of other items on the menu. And of course there is no shortage of great beer as we rotate into the fall selection of beers. It's a good excuse to come down to the cafe to watch a college football game on Saturday or the Patriots on Sunday as they take on Miami.

In the store we are winding down and a number of items will not be replenished as they are sold out as they will not make it through the winter. We will continue to do our best to stock the basics such as dairy products and non-perishables up to the end of the season but other items will become limited. We apologize in advance for any inconvenience that might cause. We will do our best to maintain the inventory of key basics!

Looking ahead to Columbus Day, here comes Frye't Fest! It was a great family event last year and we are working with the town Recreation Committee to make it as good or even better this year! Stay tuned for more info!

Wrapping things up, our schedule for the store this week is as follows (weather permitting).

Friday	8:30am	8:30pm
Saturday	8:00am	8:30pm
Sunday	8:00am	5:30pm
Monday thru Thursday	8:30am	2:00pm

For the café, our hours for this weekend are (weather permitting).

Friday	3:00pm	8:30pm
Saturday	11:30am	8:30pm
Sunday	11:30am	5:00pm
Monday, Tuesday, Wednesday, Thursday	Closed	

Ice cream hours are highly variable, depending upon the availability of our staff. If the ice cream stand is not open, there will be a large selection of hand packed pints and half pints in the store ice cream freezer.

We look forward to seeing you down at the store and cafe!

 Community Center (207) 655-3893

## BINGO

Come on down Monday Nights, beginning at 7pm to play Frye Island's favorite game! You must be 16 years or older to play.

## Library

Our library needs a facelift in the spring. We need boxes to pack up books... Nothing large but please leave any you might have on this Saturday morning in the library... If you off island help us by grabbing a few!

## Bridge Club

If you enjoy playing bridge in a relaxed atmosphere, the Frye Island Bridge Club might be just what you are looking for. Wednesdays at 1:00pm at the Golf Clubhouse is the place. We'll leave a note on the door if a cancellation or change of meeting place needs to be made. All levels of players invited.

## Windham Food & Clothes Pantry

Please drop all your non-perishable goods and clothing at the bin located next to the Post Office near the Ferry Landing. All donations will be appreciated and taken over to Windham on a weekly basis. We are more fortunate than so many others and it can be our small way to give back to our fellow communities.

## Frye Island Chapel

Services every Sunday 9:00 AM in the Upper Room of the Community Center. *All are welcome. Dress is casual.* You are cordially invited to attend our weekly non-denominational services. Chaplains: Rev. Theodore Ekholm and Rev. David DeLuca.

## MAH JONGG

Please join us for MAH JONGG. Monday's @ 9:30AM and Thursday's @ 12:30 at the Clubhouse. In case of rain we will play at the Community center or at someone's home. Any newcomers, we will be happy to help you learn the game. Any thoughts or questions call Carol Stenz @ 207 655 4041 or Eileen Sullivan @ 207 655 4950

## Garden Club

We had our September meeting and would like you to know some exciting things. September 20th we are having salad luncheon to brainstorm ideas and we invite anyone to come at 11 with a salad and your own drink to the recreation center and bring lots of ideas.

Our cleanup day is this Saturday the 17th at 9am at the Community Center to do some fall clean up. We love volunteers to come help. We are setting up a Frye Island garden club page where you can find information about what we are all about.

If all testing of the soil is good, we will be having a community gardens area near Recreation Beach, so please sign up in the office if you are interested in a plot. If you are dividing your perennial's, please connect Nancy Perry at (207) 655-5221 and she will plant them on the island. Carol Stenz has Bobbex if you need some.

## **GOLF DRIVING RANGE AND PRACTICE PUTTING GREEN UPDATE**

I want to thank the following Islanders and businesses who made contributions and pledges this week. Steven Gilman, Krainin Real Estate, Francis Alexander, Earl Steeves, Jay and Mary Ann Niles, Sara Lewis and Jen Goldman and Greg and Jodie Stansbury.

It was another good fund raising week. I would again like to ask all of my fellow Islanders to support this project! This week again we made significant progress at the site. We spent most of the week improving the driving range site lines, building and grading the tee area, and we finished the beautiful tee area granite retaining wall and granite steps all made from the granite harvested on the site. The spirit of islander volunteerism was again demonstrated this week. Planning also continues for the range irrigation system and hydro seeding which we expect to do in the next few weeks. A professionally done virtual reality video was donated by a landscape design and construction firm showing in detail how special and unique the backyard of the clubhouse area could become! Please take a look! This is our ultimate goal and vision of what the backyard area of the clubhouse could become for club members and most of all for all islanders and their children! How far we go with this project is purely a function of how much money we raise! Please take the time to review this video! Imagine another daytime and evening social area on the island we can all be proud of.

Many who viewed the video this week on the island again told us that with a recreational facility like this they would consider joining the club. Some people asked about social memberships. Children who saw this video became excited about the range the putting green and how much fun daytime and evening family activities at the club might be. The you tube link for this video is <https://www.youtube.com/watch?v=wLB2uZX0sEc> . The video shows what the backyard space could look like during the day and then at night. I hope it will inspire all of you to come up and see what progress we have made and make a donation. The summer season is now over and we are asking all islanders to donate funds so all 3 phases of our project can be completed. I am happy to discuss and review this project with anyone during the week or on the weekend. If you have any problems with this video link email me at my email address below and I will send you the link.

We also plan to have a few days devoted to clearing and picking small rocks from the entire range area in the next few weeks. We are looking for fellow islanders and club members to volunteer to help for a few days during the week next week and the week after as well as on one of the days next weekend. We will make those days fun, so sign up in the clubhouse and provide your phone number if you are willing to help us. Bring your kids along to help! This project is mostly for them! Anyone who would like to help me in the fundraising efforts feel free to call me at 401-439-1060 or email me at [alanw155@aol.com](mailto:alanw155@aol.com) or see Jack McKee.

A few weeks ago we placed big blue 5 gallon buckets at the club for range ball donations. We have already filled a few buckets! For all of you who have lots of balls please donate some of your stash to the range. We know there are many of you out there with lots of Balls!!!!---so help us out and put them in the big blue buckets at the club. The end of the season is soon so please donate your older and extra golf balls now before the season ends.

We have begun actively to look for a golf pro or an apprentice pro to come to the island next year to conduct individual and group lessons at the club! For all of you who would like to learn the game but are intimidated or nervous about learning the game on the course this would be the perfect opportunity not only learn the game and then become an active golf member.

Please also remember to put Saturday June 24<sup>th</sup> of 2017 on your calendar. It is the date for "A Party with a Purpose" which will be a fund raiser for this project featuring the Southern Drawl Band a nationally acclaimed trop rock and country band from Tennessee. Posters for this event can be found at the club and at the office. We already have approximately 100 committed tickets.

Last but not least for those of you who believe in this project and have given money to support it, encourage your Island neighbors and other golf members to give. If we all help, the heavy lifting will be easier and we will all have a new attraction on the island we can enjoy and be proud of!

A donation form for this project again accompanies this update in the FINS this week. Contribution forms and donations can be found or made in the office, the golf club house or by seeing Todd Keigwin or by stopping by at my house at 281 Leisure Lane.

Thanks for everyone's support! Please consider giving, if you have not already before the season ends.  
Alan Ross and the Driving Range Project Team!

**FRYE ISLAND GOLF RANGE PROJECT  
PLEDGE AND CONTRIBUTION FORM  
THANK YOU FOR MAKING A PLEDGE FOR THIS PROJECT!**

The Golf range and practice putting green will be a great place for all Islanders to enjoy and will promote the long term viability of the golf course, club and as a premiere place for island social events. It will be a place for Islanders to improve their game, provide a real place for golf lessons, will be a real attraction for those looking for something to do who are not golfers, will be a means to keep practice sessions off the course and will provide ancillary income to the golf club for driving range ball sales and more golf club food and beverage sales.

Most importantly for all who have been planning this project it will be a great place for the youth on our island to learn the game and have some fun. It will be a great place for them to spend quality recreation time and young golfers and their families will insure the long term viability of the Golf Club.

The suggested donation levels are as follows. The project has the Town's support. The suggested giving levels are noted below. Please circle the amount of your pledge and write a check to The Town of Frye Island and in the notation portion of the check write "Golf Range Project". Drop off with me, town hall or mail to 1 Sunset Road, Frye Island, ME 04071
