## Manager's Comments

We are wishing for a speedy recovery for Gary. Thank you for your patience and understanding in this transition.

The Annual Town meeting is only a week away. It will be held at the Community Center Saturday, October 8, beginning at 9:00AM. Sign in and registration begins at 8:00AM.

Every year, this is an important meeting to set the direction and make meaningful decisions for the Town. You must attend in person to participate. Every cottage owner and their spouse are automatic members of the Board of Island Trustees (BIT). Island Trustees cast binding votes on the Town budget, and land use and zoning ordinances. This year a revised Setback Ordinance will be voted on. BIT also elects Representatives for the Town Executive Committee. This year, two BIT Representative seats are up for election.

Town voters ratify the budget passed by the BIT and vote solely on non-municipal budget matters. This year, Town voters will also decide two important issues. First whether or not to have a charter commission established to propose charter revisions. Second, whether or not to revise the dog ordinance. By state law, Island Trustees may only vote on these measures in an advisory role to the Town voters. Town voters will also be electing two Selectmen to represent them on the Board of Selectmen.

Yesterday I spoke to Julie Flynn, Deputy Secretary of State and she confirmed her response she sent Gary last year regarding voter registration. I have included Gary's excerpt from last week below in this week's FINS in case you did not have an opportunity to see it.

## Voter Registration

Two weeks ago the Board of Selectmen and I received a letter from home owners on Frye Island. Their concern was who could establish the right to vote in Maine.

After the turmoil in the fall of 2015, I sent an email to the Assistant Secretary of State on this subject. I am including these for your review and evaluation.

Since the topic has been resurrected by property owners, I have forwarded their letter of concern to the Assistant Secretary of State for another opinion. To date I have not received a reply.

As Town Manager, I take allegations of voter registration fraud very seriously. After long conversations with Julie Flynn (Assistant Secretary of State), I feel that the Town of Frye Island has been following the law as explained by her department.

If her office replies with any information that contradicts her past summaries on this subject, the Town of Frye Island will address it.

This information has also been presented to our Town Attorney and confirmed to us that Frye Island has been following the law as explained by the Assistant Secretary of State.

Hi Gary –

Thank you for your email. I do agree that when the Legislature allowed Frye Island to secede and become a town, it set up a situation that is different from the rest of Maine - even the offshore islands - because it is not possible to live year round on Frye Island. However, under Maine election law, a person may establish a fixed and principal home as their voting residence, even when the home is not a year-round residence; and there is no minimum amount of time a person must live there each year in order to claim residence. When a person registers to vote in Maine for the first time, they must submit proof of identity and residency, either with the application, or before they vote for the first time (or they would vote a challenged ballot). Proof of residency may be an Oath of Residency, or it may be another document that demonstrates the voter's intention that the home on Frye Island is their voting residence (see Title 21-A section 112 for other forms of proof of residency that a voter may provide and you may consider). The voter must complete and sign the application, and they must provide an address of prior registration (if applicable) for the application to be considered complete. If you, as the Registrar, send a Notice of Cancellation to the jurisdiction of prior residence/registration, notifying them that the person is now registered to vote in Frye Island, Maine, then you have done what you are required to do under the law. I hope this is clear/helpful. If not, I would be happy to discuss via telephone in more detail.

**Subject:** Voting rights

Good Morning Julie:

It was a pleasure to speak with you yesterday regarding voting privilege for Frye Island property owners. We have a few questions.

If we require the voter to sign an oath claiming voter residency our understanding is that we are not required to ask for anything else other than a completed voter registration card and a signed form to remove them from a previous voting residence. Is this correct?

When the Legislature allowed Frye Island to become a Town, it was with the understanding that you could only reside in the community for approximately 24-26 weeks depending on winter weather. Some of our residents live in three different localities and have to claim one as their voting residency. It is our understanding that it is their right to claim Frye Island as their voting residency?

As long as Frye Island notifies the residence other domicile of establishing voting residency at Frye Island, we have done our due diligence in that process?

Gary M. Donohue

## **ELECTIONS:**

### **Selectmen positions**

There is one Selectman seat up for election to a three year term. There is one Selectman seat up for election to a one year term. You must be a registered voter of the Town of Frye Island to run for this position.

### **Board of Island Trustees Executive Committee**

There is one seat on this committee up for election for a three year term.

There is one seat on this committee up for election for a two year term.

### **Qualifications for Executive Committee**

1. US citizen
2. 18 years of age
3. An owner or a spouse of an owner of real property located within the Town of Frye Island with a fixed home currently occupied by the person, maximum two people per fixed home.

If you are interested, please come to the Town Office to complete a Volunteer to serve on a Frye Island Committee Form.

The following 2 candidates have submitted bios to run for Selectmen. Additionally, we currently have 3 bio submissions for Board of Island Trustees Executive Committee, two are running for the two year term, and one for a three year term.

### **Selectmen Candidates:**

#### **Jim Kuiken**

I have been a home owner of Frye Island for over forty years. I have been married for 49 years to my wife Joyce, and have a daughter, Gina, and grandchildren, Josh and Dalaina.

I lived in Alfred, ME where I owned and operated an electrical contracting company before retiring to North Carolina. I have been a Selectman for twelve years, served as President of Frye Island, Inc. and Treasurer on the Frye Island Municipal Services Corporation.

It will be an honor to serve if elected and I will strive to keep taxes at a minimum while providing services that are necessary to keep Frye Island a very beautiful place to live.

#### **David Wagner**

I am a married father of four girls and grandfather of 4 grandchildren. While native to Long Island, New York, I currently reside in Arizona during the off season. Most of my professional career has been spent working in Information Technology although my wife and I are best known for operating Frye's Leap General Store and Café over the last five years.

I have served as an appointed Selectman for the past year and have learned much about the process of operating the Town of Frye Island and the challenges that we face. I would like to be considered for election to the position of Selectman this year. The skills that I bring are listening, open mindedness and a bias for action. My agenda is "do the right thing", making decisions that best satisfy the long term needs of the town and represent the beliefs of our fellow islanders.

### **Board of Island Trustees Executive Committee-2 year term**

#### **Sigrid Olson**

I've been coming to Frye Island for 25 years, our cottage has been in the family for 50 years. My husband, Boris, first came to the island when he was five, watching his father and grandfather turn the bare shell of a cottage into a family summer home. Our children are the fourth generation of Svetlichnys to love Frye Island and we want to ensure that Frye Island remains the beautiful place it is for generations to come.

I have an MBA from Carnegie Mellon University and a BA from Economics from Swarthmore College. After college, I spent two years with the Peace Corps in Haiti. After getting my MBA, I worked in Finance before leaving to raise my family.

My priorities are to ensure that Frye Island is well-managed and financially sound and to ensure that Frye Island maintains the warm community spirit and natural beauty that keeps us coming generation after generation.

### **Board of Island Trustees Executive Committee – 2 year term**

#### **James O'Connor**

My family and I have been on the Island since 1989 at 1054 Middle Beach Road. Beginning in 1990, I served on the Frye Island Board and then on the combined Frye Island/MSB Boards until 1998. I later had a three-year stint on the Board of Island Trustees Executive Committee beginning in 2002. I have decided to run in the hopes that I can use my earlier experience on the Island in a positive way.

I fully support sound finances, strong reserves and our attempts to lower property taxes by some positive accommodation with SAD 6 in the future. I believe in fully transparent operations on the Island, especially in access to financial

information. I strongly support the efforts of the Communication Committee in making information on the Island far more accessible. I would support increased efforts in this direction.

I believe that our present Town Meeting schedule on Columbus Day, coupled with the fact that the Island Charter does not allow absentee voting, prevents too many Islanders from participation in this most critical annual event. If I were on the ExCom Board, I would support either a change in meeting date to one better scheduled for the majority of Islanders or making a Charter change to allow for absentee voting (or both). I believe that we lose the good counsel and wide experience of too many Islanders with our present arrangement. I believe that the structure of our Charter, the Board of Island Trustees and its four-member Executive Committee, are critical for the participation of all Islanders. Our Town Government must continue to recognize that all Islanders, regardless of State of residence or voting status, should have an equal voice in our Government.

The issues of the next year or two are certain to require our best combined efforts. There will evidently be a transition to a new Island Manager, a new Director of Public Works/Ferry Operations and also continuing negotiations with SAD 6. If you choose to vote for me, I pledge to work on these issues and on the others that invariably arise in the best interests of all Islanders.

### **Board of Island Trustees Executive Committee – 3 year term**

#### **John R. Boyd**

Rosemarie and I bought our home on Frye Island (Lot 1847) in 2001 with our son Peter and daughter-in-law Kelly. For the last few years, we have been able to spend most of our season here and work as needed, remotely, as our son Peter assumed greater responsibility in our Financial Planning and Investment Advisory firm located in Massachusetts. This will be the first time I am seeking a leadership role as BIT Executive Committee Member.

My background is in Engineering (BSEE'69 and MS Biomed from WPI). I started and managed Biomedical Engineering department in a major hospital, and later worked as a Product Manager for the Hewlett Packard Medical Division. I was in the Air National Guard. I am currently employed as Investment Advisor, Treasurer and Compliance Officer in our family firm. Above all, in my careers, I have been a problem solver.

I have great respect to the many individuals who have made Frye Island the gem it is. I am impressed every day with the talent and commitment of the island's homeowners. We are currently experiencing growing pains that are, in part, a result of our own success. My focus will be on making sure all island constituencies are properly represented, that we follow orderly processes, and to provide clarity as we are asked to make informed decisions going forward as a town.

### **Write in Candidate**

#### **Board of Island Trustees Executive Committee - 2-year term**

#### **Laura Crosby**

Thirty-two years ago John and I built a home on to Frye Island, and for the past twenty years we have been full time seasonal residents. We both work for the town and at the end of this season I will be retiring from my position at the golf course as Clubhouse Manager. I have volunteered on the island as a fire fighter, a first responder, and ambulance driver. I was also involved with the fundraising for our ballfield and involved in the construction of the fire barn.

I assure you that there would be no conflict in running for the BIT. John has one year left on his contract, the budget will have passed at the annual October meeting eliminating conflict of interest, also members of the BIT have no say on personnel matters.

Taxes is the biggest issue we all are facing. If elected, I would look for solutions and compromises that would benefit all islanders and bring back unity.

### **MSAD#6**

MSAD#6 has retained a facilitator under Title 20A Section 1301 and that the District will be calling a meeting of municipal representatives to discuss the District's cost sharing formula. As part of this process, the municipal officers of each town in the District are required to select two representatives at large who, along with one member of the district's board of directors chosen by the board members of that municipality, will represent that municipality on the Section 1301 cost sharing review committee. Frye Island delegation will include Jim Moses (MSAD#6 Board member) Betsy Gleysteen (First Selectwomen), and Gary Donohue (Town Manger). Even though this process has begun, Frye Island is still researching other options for the future of the community. The following meeting dates will take place at 6pm at the Central Office: 94 Main Street, Buxton Office. Tuesday, Oct. 18 and Monday, Oct. 24. I will keep you all informed as information becomes available. The agenda for the "Cost Sharing" meeting on the 26th has been sent. The public is welcome to attend.

## Code Enforcement Officer

John Thompson      Tuesdays and Thursdays      8:00am – 3:00pm      codeenforcement@fryeislandtown.org

**John Thompson will not be in the office on Thursday, October 20, 2016.**

## THANK YOU

A special thank you to Gunard Bergman for his donation of a beautiful Frye Island tapestry. We plan on displaying it on a wall in our new Town Hall.

## Frye Island Directory

The 2016 Directory is now available at the Town Office for \$5. If there are any changes to your information, please contact the office ASAP.

## Contact Information

The Administration is trying to update the Island email addresses. Please either stop in or email your current email address, name, and telephone numbers to Marie Tedford, Town Clerk at [townclerk@fryeislandtown.org](mailto:townclerk@fryeislandtown.org). This will allow us to reach you with any pertinent information year round. **Please take note of the new email addresses for Town employees, they all end in fryeislandtown.org.**

## Town Office Hours

The office will be open Tuesday thru Saturday from 9 am to 3 pm. Please take advantage of the available on-line services to help keep the line short in the office during high season. If you have a brand new registration for a boat, car, golf cart or trailer, please try to come during the week when the office is not as busy. Call ahead to be sure you have all the proper documents and discuss with the office staff the possibility of an appointment time to complete the new registrations. A new registration can take more than an hour and you may be asked to leave copies of your documents for the registration to be completed and picked up later in the day or another day.

## Refrigerator Magnets E911 Address

If you don't have a refrigerator magnet with your E911 address and street address on it, please come to the office to get one. It is very important that everyone in your house knows your E911 number and street name. When calling in for an Emergency, you **MUST** give both. It is also helpful if you can refer to the closest landmark such as Beach # or crossroad. An example would be E911 address 10 Harbor Road (need to give street name) Lot address is 1554.

## Ferry Ride Requirements

To pay the toll on the ferry, you need an E-Z Ride card, a paper ticket, or an emailed ticket. The ferry employees are not allowed to take verbal requests to use another party's card for passage in any situation. Please provide family, guests, and any vendors you have with one of the above tools for ferry passage. Please do not send a picture of your EZ Card to anyone who is not an authorized user on your account.

## Small Package Delivery (up to 70 lbs.)

All packages delivered by any courier service (**UPS, FEDEX**) will be delivered to the Post Office by 7 am the following day. You are responsible to Track your own deliveries. If you have a package that is perishable, medicine, or overnight delivery you have the right to free pedestrian passage to collect your package at the Ferry trailer once you track and it states delivered.

## Large Package Protocol (over 70 lbs.)

Bob Sutherland has volunteered for the past seven seasons to bring all the UPS and FedEx packages across to the Post Office in his own vehicle. I want to thank Bob for his effort. E-commerce has changed the way we shop. FedEx and UPS now handle larger packages. Packages over 70 lbs. are labeled "heavy", "dangerous" or request "team space lift". Bob works alone.

Our volunteer has handled all packages including the occasional heavy packages in the past. The increase number of large packages' makes it necessary to modify our procedure's effective June 1, 2016.

Recipients must track their (FEDEX, UPS) large packages and confirm delivery to the Ferry trailer in Raymond. When package arrival is confirmed, the recipient must contact the ferry trailer to schedule free round trip ferry vehicle transit to pick up the packages, delivered from **FEDEX & UPS only**. The recipient is now responsible for the handling of heavy items from the Ferry trailer to their cottage.

## **LEA**

The LEA is a nonprofit organization that works off donations. They have done a wonderful job for the Lakes Region and also are friends of Frye Island. Please make a donation to keep this organization healthy.  
<http://www.mainelakes.org/donate/>

## **Milfoil**

LEA divers Christian Oren & Tom along with Frye Island diver Larry Pilotte finished the season hand pulling milfoil in the Long Beach and Quail Marina. The middle of the marina channel was the area worked. We have our marina 90% cleared this season and well under control. A special thanks to Roxie Olmsted and Mike Kaplan assisting the divers in the cleanup. A biologist named Journey from St Joseph College of Maine was collecting samples for her studies. To all the Frye island volunteers hope to see the help continue next year! Thank you. Larry Pilotte.

## **Driving Range (Golf Course)**

This project is off and running. A driving range at the Golf course is a great idea. This project is being created strictly through donations. If you would like to donate to this project you may do so at the Town office.

## **Board of Appeal Volunteers**

Any members whose terms have expired need to let the Administration know they are willing to continue. On Saturday August 6<sup>th</sup> the Planning Board held a meeting and I am pleased to announce we presently have a full board and alternates. I want to thank all the folks that participated in the meeting and signed up to volunteer to continue to service.

## **Marina Lake Level**

Due to lower than usual lake level, it is VERY LIKELY that it will be necessary to have all boats removed from the Long Beach Marina earlier than usual this year. Water levels are currently at what we would normally see in mid-October. Please plan to have your boat removed by Sunday, October 2, 2016 to facilitate the docks being removed starting Monday, October 3, 2016. This will only be a week earlier than usual. Thank you. Dave Bond, Marina Committee.

## **Frye Island Community Beaches**

If you own a kayak/canoe/paddleboard/rowboat that currently is on a rack or beach on FI, please remove them ASAP and NO LATER THAN Columbus Day Weekend. The Beach Committee, DPW and the Town Administration have worked hard all summer to redesign and plan the designated areas for these allowable boats and we need to have cleared racks and the beach space to clearly mark and create the designated areas. If you do not remove your kayaks, canoes, paddleboards, rowboats from the racks and/or beach and they impede the process in any way, your chains will be cut and the boats will be placed in storage until next season when you will need to prove ownership in order to obtain it back. We are sorry for any inconveniences. If you own a boat that is NOT ALLOWABLE (such as sailboats, sunny boats, etc.) as per the ordinance, please remove them ASAP or they are subject to removal by DPW. Thank you for your assistance in helping to keep our beaches the wonderful asset that they are to all of the residents of FI!

## **Frye Island Public Safety Committee Wants Input**

As you may know, the Frye Island Public Safety Committee (PSC) has been formed to make fact-based recommendations on how to approach EMS, Fire, Police and related services going forward. The PSC has been trying actively to learn in detail how services are delivered now, what, if any, issues exist, and the types and levels of services that might best fit the Island's needs and budgets. The meetings are public, times are posted on the website, and everyone is invited to attend or call in. We know that many Islanders may not be available when the meetings occur, or don't want to spend their free time in meetings, but the committee wants input from as many islanders as possible. Please email the committee at [members-public-safety@fryeislandtown.org](mailto:members-public-safety@fryeislandtown.org), to give us your thoughts on what we should understand or consider about the islands public safety needs and services. Please include your name and lot number. You can access the Town website at <http://fryeisland.com>. Thanks, Frye Island Public Safety Committee

Please remember The Fitness Center is a **non-profit mutual benefit** operation. All of the fees will be used to cover expenses and make improvements. **Please feel free to volunteer to help staff The Fitness Center, this will help keep costs down and you can workout at the same time!!**

## **GOLF DRIVING RANGE AND PRACTICE PUTTING GREEN UPDATE**

I want to thank the following Islanders and businesses who made contributions and pledges this week. Normand and Leslie Poulin, Andrew and Bianca Ross, Peter and Susan Ambrozavitch, Mr. and Mrs. Andrew Davis, the Butterfield Family, Dick and Kristi Ohanesian, Jeanne Young and Chris Gruner.

It was another good fund raising week. We are actually getting additional contributions from those who have already given. I would again like to ask all of my fellow Islanders to support this project! We are coming to the end of the season and we need your support now! Also, please remember your contributions are tax deductible so consider giving more. This week again we made significant progress at the site. We spent much of the week hand raking and preparing the site for hydro seeding which we expect to begin this Friday. The tee area retaining wall was finished. The spirit of islander volunteerism was again demonstrated this week as islanders worked to remove rocks from the driving range. I want to personally thank Mike Anson, Kent Anson, Paul Murphy, and John and Stefanie Hartman for helping clear the range of rocks. Another special call out and thanks to Dale Freschette for all his help and support this week. I also want to personally thank Bob Giggey for joining the fund raising team! His help and Jack Mckee's help has certainly been a big lift for me and the project!

On Saturday we could use some help getting the range completely finalized for hydro seeding on Sunday. We need about 10 volunteers to help finish the range. So please come out and help. This is the day we need the most help. Please contact Jon Hartman or show up at the range any time after 8:30am on Saturday. Please bring a metal rake and a square metal/barn shovel if you have one. Please help us get over the hump! We really need your help!

A professionally done virtual reality video was donated by a landscape design and construction firm showing in detail how special and unique the backyard of the clubhouse area could become! Please take a look! This is our ultimate goal and vision of what the backyard area of the clubhouse could become for club members and most of all for all islanders and their children! How far we go with this project is purely a function of how much money we raise! Please take the time to review this video! Imagine another daytime and evening social area on the island we can all be proud of. Many who viewed the video this week on the island again told us that with a recreational facility like this they would consider joining the club. Some people asked about social memberships. Children who saw this video became excited about the range, the putting green and how much fun daytime and evening family activities at the club might be. The youtube link for this video is <https://www.youtube.com/watch?v=wLB2uZX0sEc>. The video shows what the backyard space could look like during the day and then at night. I hope it will inspire all of you to come up and see what progress we have made and make a donation. The summer season is now over and we are asking all islanders to donate funds so all 3 phases of our project can be completed. I am happy to discuss and review this project with anyone during the week or on the weekend. If you have any problems with this video link email me at my email address below and I will send you the link.

A few weeks ago we placed big blue 5 gallon buckets at the club for range ball donations. We have already collected about 2500 golf balls. Thank you Norm Poulin for your ball donation this week. For all of you who have extra old practice golf ball please donate some of your stash before the end of the season to the range. We know there are still many of you out there with lots of Balls!!!!---so help us out and put them in the big blue buckets at the club.

We have begun actively to look for a golf pro or an apprentice pro to come to the island next year to conduct individual and group lessons at the club! For all of you who would like to learn the game but are intimidated or nervous about learning the game on the course this would be the perfect opportunity not only learn the game and then become an active golf member.

Please also remember to put Saturday June 24<sup>th</sup> of 2017 on your calendar. It is the date for "A Party with a Purpose" which will be a fund raiser for this project featuring the Southern Drawl Band a nationally acclaimed trop rock and country band from Tennessee. Posters for this event can be found at the club and at the office. We already have approximately 100 committed tickets.

Last but not least, for those of you who believe in this project and have given money to support it, encourage your Island neighbors and other golf members to give. Now is the time before the Island closes. If we all help, the heavy lifting will be easier and we will all have a new attraction on the island we can enjoy and be proud of!

A donation form for this project again accompanies this update in the FINS this week. Contribution forms and donations can be found or made in the Town office, the golf club house or by seeing Todd Keigwin or by stopping by at my house at 281 Leisure Lane.

Thanks for everyone's support! Please consider giving, if you have not already before the season ends.

Alan Ross and the Driving Range Project Team!

**FRYE ISLAND GOLF RANGE PROJECT  
PLEDGE AND CONTRIBUTION FORM  
THANK YOU FOR MAKING A PLEDGE FOR THIS PROJECT!**

The Golf range and practice putting green will be a great place for all Islanders to enjoy and will promote the long term viability of the golf course, club and as a premiere place for island social events. It will be a place for Islanders to improve their game, provide a real place for golf lessons, will be a real attraction for those looking for something to do who are not golfers, will be a means to keep practice sessions off the course and will provide ancillary income to the golf club for driving range ball sales and more golf club food and beverage sales.

Most importantly for all who have been planning this project it will be a great place for the youth on our island to learn the game and have some fun. It will be a great place for them to spend quality recreation time and young golfers and their families will insure the long term viability of the Golf Club.

The suggested donation levels are as follows. The project has the Town's support. The suggested giving levels are noted below. Please circle the amount of your pledge and write a check to The Town of Frye Island and in the notation portion of the check write "Golf Range Project". Drop off with me, town hall or mail to 1 Sunset Road, Frye Island, ME 04071

## Trunk or Treat Frye't Fest

Sunday, October 9, 5:00pm. Come in costume and enjoy the trunk or treat with the kids... Bring candy and your decorated golf cart or the trunk of your car to the chimney area. The kids will be arriving around 5:30pm to spook you and play some games. Come and pass out candy to all our "little fryes" dressed in their Halloween gear.

## Frye's Leap General Store and Café

**655-4256**

Fall keeps marching on! September is behind us and here comes October. It's time to get your Halloween costume together for Frye't Fest! If it is not already on your calendar, make a note on Sunday October 9. Here comes the "monster mash"! Lots of preparation is underway for the big day. It promises to be a lot of fun for the kids and I am sure that we will have some beer left over so that there is an adult beverage or two for mom and dad. The party will start at 3:30pm and continue into the early evening. The activities will include face painting, apple bobbing, the haunted walk and other fun games. We will also be holding a raffle, raffling off some of our clothing and novelty items as well as some surprises. Around 6:00pm after the "trunk or treating", we will be putting out a free end of year buffet with a variety of food from the café. Be sure to come down in costume to be part of the fun! Something for everyone!

This weekend will be the last weekend of full service at the café. It will be your last chance to grab a steak bomb or a BLAT before next season! For Columbus Day weekend, we will be open at the bar for beer and takeout pizza on Friday and Saturday. And then we will host Frye't Fest on Sunday, marking the end of the season for the café and the closing process will begin in earnest.

Entering the fall season, we have placed all of our clothing items in the store on sale. All clothing items (items from this year) are discounted by 20%. Items from previous years which we have placed out on the sale table are 40% off the original price. We have a number of sweatshirts and jackets still in inventory that are the perfect garment for the fall nights! Not only is our clothing on sale, but so is all of our ice cream. 50% off all ice cream! This includes our hand packed pints and half pints of ice cream too. Lots of flavors to choose from! Our inventory of food items is dwindling but we still have the basics of milk and eggs as well as non-perishables such as paper goods and cleaning supplies.

Wrapping things up, our schedule for the store this week is as follows (weather permitting).

Friday	8:30am	8:30pm
Saturday	8:00am	8:00pm
Sunday	8:00am	5:00pm
Monday thru Thursday	8:30am	2:00pm

For the café, our hours for this weekend are (weather permitting).

Friday	3:00pm	8:30pm
Saturday	11:30am	8:00pm
Sunday	11:30am	5:00pm
Monday, Tuesday, Wednesday, Thursday	Closed	

Ice cream is no longer open and all of our remaining flavors are available as hand packed pints and half pints in the store. We look forward to seeing you down at the store and cafe!

## REMINDER FROM FIFD!

Calling all refundable bottles and cans!! Please help out your volunteer fire department by donating your refundable bottles and cans at the transfer station. To do this, you need to carry them to the FIFD shed over to the right, before you get to the trash and recycle dumpsters. Different types do not have to be separated, but you do need to bag them (tying the top of the bag is a big help!). Please include only items on which you paid a deposit of 5 or 15 cents.

We have used these funds for many things over the years, including the 4<sup>th</sup> of July hot dog lunch and a portable water tank for FIFD.

Thanks to all of you who have donated your returnable bottles and cans in the past!

**Help support your volunteer fire department – buy a Frye Island Fire Department T shirt. They make great Christmas gifts!**

Email [fifd.association.treasurer@gmail.com](mailto:fifd.association.treasurer@gmail.com) and get one before the island closes. Last sale date this year will be Monday, October 10. Remaining sizes are have youth sizes XS, S, and M for \$8, and adult sizes S, L, XL and XXL for \$15.

**In an emergency the Vial of Life will speak for you when you can't!**
