Financial Statement

The issuing of bonds by the Town of Frye Island is one of the ways in which the Town borrows money for certain purposes. The following is a summary of the bonded indebtedness of the Town of Frye Island as of the date of this referendum election:

- Bonds Now Outstanding and Unpaid: $307,280.51
- Interest to be repaid on Outstanding Bonds: $29,325.24
- Total to be repaid on Bonds Outstanding: $336,605.75
- Additional Principal Amount of Bonds Authorized But Not Yet Issued: $0.00

Total Additional Bonds to Be Issued If Article 14 Is Approved By Voters: $150,000
Estimate of Potential New Interest on such Additional Bonds $33,262.50
Total Additional Bonds to Be Issued & Estimated Interest If Approved By Voters: $183,262.50

When money is borrowed by issuing bonds, the Town must repay not only the principal amount of the bonds but also interest on the bonds. The amount of interest to be paid will vary depending upon the rate of interest and the years to maturity at the time of issue. The validity of the bonds and of the voters' ratification of the bonds may not be affected by any errors in the estimates made of the costs involved, including varying interest rates, the estimated cost of interest on the bond amount to be issued and the total cost of principal and interest to be paid at maturity.

Article 14: To reserve Frye Island Incorporated lots 1601/1602 as a future beach. (Proposed by FII Board of Directors and approved by Stockholders)

[History: Lots 1601/1602 have been identified by the Conservation Committee (2005), the Beach Committee (2005), the Recreation Committee (2013) and the Planning Board (Comprehensive Plan) as the last remaining FII owned lots that could affordably be made into a usable beach. On 8/27/05, the Frye Island Incorporated Board agreed and passed by a unanimous vote to hold these lots as a future beach when needed. In 2006 a town survey was completed by Dick Norris and at that time 71% of the respondents agreed to reserve these lots for future beach purposes. However, a Town vote has never occurred on this issue to date and one must occur for the transfer of the lot from a saleable lot to a beach lot to occur.

As the island continues to grow and the increased building taking place is concentrated to inland lots, the access to water is becoming more apparent. All of the public beaches are seeing heavily increased daily usage and more beach space is becoming a necessity. Since Frye Island Incorporated is the land holder of the lots that are designated as beaches, it is a requested that a vote be taken at the Town meeting to reserve these lots for future beaches versus transfer to the Town for future sale. Also note that the Town of Frye Island must maintain the agreed to 750 lot maximum and that we currently are at or are exceeding this limit and thus no land can or should be sold unless for privacy lot purposes.]

The Board of Selectmen / Board of Island Trustees Executive Committee recommend approval of this warrant article.

Article 15: To see if the voters of Frye Island will vote to accept the gift from the stockholders of FII of 266/268 undeveloped lots, the final number reflecting the outcome of the vote on Article 15, and a full listing of said lots attached in Exhibit A.

This is with the provision that a Land Management Committee, responsible to the Executive Committee, be formed to oversee the effective future use of said lots, and that membership of this committee include a maximum number of seven. (Proposed by FII Board of Directors and approved by Stockholders)

Article 18: To see if the voters will appropriate up to $20,000 from the Long Term Transportation Reserve to continue the process to acquire the required permits for the Ring Road project located on Frye Island property on the Raymond Cape Road.

There is currently $388,690 in the Long Term Transportation Reserve. This will leave $360,690 in the Reserve.

**Article 19:** (This article submitted by Citizen Petition): To see if the voters of the town of Frye Island will vote to appropriate the sum of money not to exceed $15,000 for fees, services, and materials related to the permit(s) application process for the property located at Cape Road and Quarry Road, Map/Lot 002/011& 070/006, Raymond, Maine (commonly referred to as the Ring Road/Park and Ride project).

The financial impact of this appropriation is not to exceed $15,000.

**Article 20:** (This article submitted by Citizen Petition): To see if the voters of the Town of Frye Island will establish an Ad Hoc Selection Committee comprised of no fewer than two Town Voter volunteers and no fewer than two Board of Island Trustee volunteers to work in conjunction with the Executive Committee to select a new Town Manager. Duties shall include but are not limited to reviewing resumes, participating in interviews, reviewing recruiting methods, and ranking candidates. No applicants or town employees may be a member of the Ad Hoc Selection Committee.

The financial impact of establishing this Committee is no more than $250.00 for expenses.

The Board of Selectmen / Board of Island Trustees Executive Committee recommend approval of this warrant article.

**Article 21:** To see if the Town will approve an additional appropriation to install "Cedar Shake" style vinyl siding on the Administration Building / Store. In August the Executive Committee appropriated up to $35,000 from the Island Improvement Reserve to replace the windows in the upper level of the Town Office / Store and to apply vinyl siding. This is to be funded from existing reserves and not from taxes. The existing quote included vinyl "clapboard" style siding. An option in the proposal included the application of "Cedar Shake" style siding instead of the "Clapboard" style siding. The incremental cost for the "Cedar Shake" style siding was $13,000. If approved, the additional cost would be funded from the Island Improvement Reserve and not from an increase in taxes.
